Shropshire Music Service
TEACHING MUSIC - CHANGING LIVES

Thank you to

for supporting the work of Shropshire Music Service.

Your generous donation supported
music-making throughout Shropshire.
Thanks to your kindness...

Over **500** children held an
instrument in their hand for
the first time!

11 schools experienced
live music.

We introduced a new ensemble,
bringing together drummers and
guitarists from across the county.

Children from Market Drayton to
Bucknell, Kidderminster to
Oswestry were able to
experience playing an instrument.

182 Year 7 pupils tried out a range of
instruments for the first time! You
helped them to experience something
that the pandemic had taken away!

From the children of
Shropshire...
THANK YOU!
